Alma Mater, Listen Mother
As we sing our praises grand;
O noble queen of Panther Valley,
Fairest high school in the land.
Thy sons and daughters stand together,
Pledging all our love forever, Loyal we will always be,
O dearest Panther Valley High School, Mother
Hail, all hail to thee.

Thy black and white and golden banner,
Proudly waves on high thy name,
As we, thy children, fondly gather,
E'er to tell the world thy fame.
To all bring honor to thy glory,
Adding to thy wondrous story,
Dedicated we will be.
O dearest Panther Valley High School, Mother,
Hail, all hail to thee.

The PV Defense brings down a Lehighton runner.

#43 Mike Terry Going through a hole in the line.

Our season was mediocre in the eyes of many, but our enthusiasm and determination made us proud of our achievements. The practice sessions were grueling and our coaches pushed us to our physical limits. Some of the games were heartbreaking, especially the tie with our arch rival Marian High School, but the support of the students and fans kept our spirits high.

As far as we are concerned, being a member of the Panther Valley football team means more than making a great tackle or gaining some yards, it means PRIDE.

Record: 2 Wins, 7 Losses, 2 Ties.			

When the volleyball season opened at home August 31, 1982, the Panther girls began with a big 2-1 victory over the visiting Raiderettes of Tamaqua. The team breezed through most of the season only to look forward to the most exciting game of the first half of the season - Pottsville!

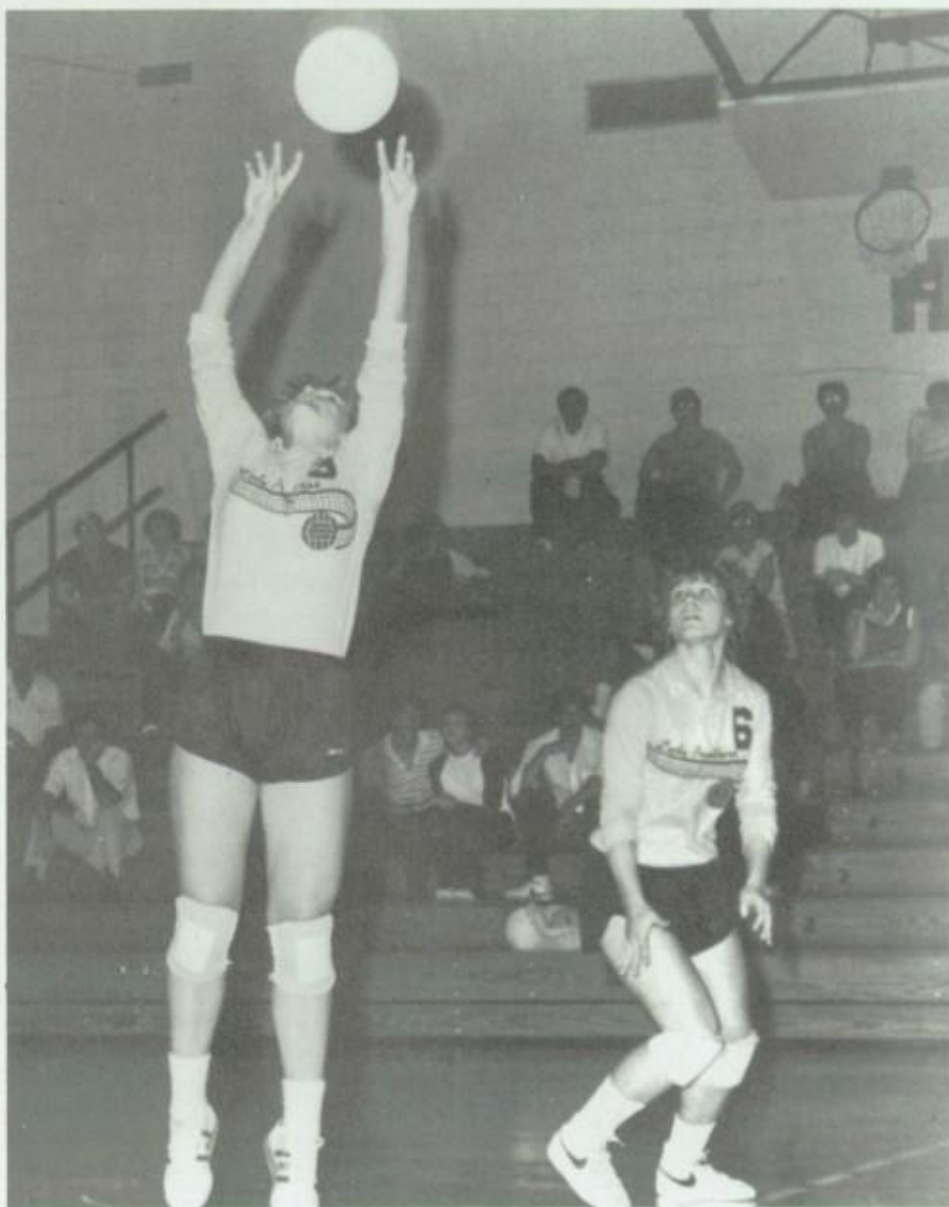

The Lady Panthers took the match with a 2-1 victory over the Crimson Tide. Much the same occurred throughout the second half as the Pantherettes pushed their opponents aside. With every win the team climbed higher on the ladder of volleyball success. However, the girls lost the final match of the season to Pottsville. This now declared a three way tie for the second half championship between Tamaqua, Pottsville and Panther Valley.

The Pantherettes played the Raiders sweeping the match 2-1. The next match was PV vs Pottsville. This would decide the second half champions. Although the Lady Panthers lost in a 2-1 decision, the battle they put out was unbelievable.

Now was the big game! The final meeting of the two best teams in the Schuylkill League Panther Valley and Pottsville. The Lady Panthers played the best game of the 1982-83 season and the result was a super 2-0 victory. The team and coaches won their fifth consecutive Schuylkill League Championship. Also, the Lady Panthers shocked Williams Valley for another District II AA Championship which allows our girls to enter state competition in the spring. Good Luck.

1983 was an unusual year for the Panther Valley Drama Club. We had the thespians available, we had a play chosen, and we had begun play practice. As school began in September, plans were already being made for the annual Red Cross Mini-Bloodmobile, sponsored by the Student Council. As in the two previous years, it was once again a big success. Efforts of both students and faculty helped to net a total of 83 pints of blood.

Next on the agenda was a successful 'Hex Day', held to generate school spirit for the P.V.-Marian game.

At the annual Christmas program, Santa Claus paid a visit to Panther Valley, giving presents to good little, and big, boys and girls.

Efforts of the Student Council led to a dance being held here at P.V.-the first one in three years. As a fundraiser, Panther Valley "Painters Caps" were sold.

The year was topped off with the annual Senior vs. Faculty basketball game. All in all, it was a great year.

1982 Junior-Senior Prom

The 1981-1982 Junior-Senior Prom held on May 14, 1982 will be remembered as a night of Dining, Dancing, and Romancing. It was held at the Holiday Inn Motor Lodge in Hazleton. The entertainment for the evening was provided by the band "Springfield". Miss Mary Kochaba was selected as the queen of the 1982 Prom. She and her court were the royalty for the night. The theme for the night was very appropriately named, "*Just Between You and Me.*" The memories of that night will always be cherished in the hearts of those who attended.

Homecoming was one of the many special events of our senior year. The candidates were nominated by a poll taken of our senior class. The committee had an especially hard time in narrowing the nominations to the top five.

The election was held a few weeks later, and the entire student body of Panther Valley High School decided who was to be the 1983 Homecoming Queen.

The Homecoming ceremony was held on the night of our football game with Pottsville. The candidates, with their escorts, were introduced to a cheering crowd.

This year's queen was Marcia Ligenza. She was crowned by last year's homecoming queen, Suzanne Collevecchio. Her escort for the evening was our quarterback, Gregory Pecha.

Candidates for Oratory: (row 1) Kathleen Karpa, Tina Balas (row 2) Angela Nardina Mary Sloboda, Georgine Moravek, Mary Ellen Spisak (row 3) Melissa O'donnell, Cathy Evans, Barb Barno, Maria Pondish, Chris Kurland, (row 4) Lori Hudasky, Sharon Rosahac, Sharon Zuber, Becky Rakos, Alison Botek, (row 5) Bob Vincent, Darren Baltozer, Mike Angst, Dave Hudak, Joe Spisak, Ken Markovich.

Girls' Oratory Winner- Mary Ellen Spisak

Boys' Oratory Winner- Joe Spisak

A person anticipating joining Oratory can expect to begin work on a speech sometime in November. Weeks of in-and-out-of-school practice can be anticipated to perfect a speech. From Panther Valley's population of over 500 students, only 10 girls and 4 boys stepped forward to accept this challenge.

A speech recited in the presence of approximately 150 people, both students and teachers, is not an easy task, but these 14 students did jobs that were more than adequate.

The two who proved victorious were Mary Allen and Joe Spisak. Mary Ellen spoke on the changing attitudes towards women in today's world. Joe's speech was about the challenges and difficulties facing the United State and Europe in past, present, and future. The Girls' runner up was Barb Barno. The Boys' runner up was Mike Angst. Mary Ellen and Joe went on to represent Panther Valley in the Carbon County Oratory Contest which was held in the spring.

Rotary And National Honor Society

Rotary: (standing) Chris Iezzoni, (kneeling-left to right) Ed Kane, Glen Karnish, Joe Spisak, (sitting) Betsy Biasi, Tracey Dvoshock, Beth McCready and Karla Arner.

Each year, 8 students from Panther Valley are chosen to attend meetings of the Lansford Rotary, as "Student Rotarians", for each month, from September thru May. At the meetings, held every Monday at the Viennese Villa, students were introduced to Rotary members and took part in the meetings. The students were oriented in the function of the Rotary and enjoyed the meals served and the company of fellow Rotarians. After dinner, projects of the Rotary to help benefit the community and its people were discussed.

Attending such an enjoyable yet very important social function was a privilege that won't be forgotten by these students.

National Honor Society Members (row 1) Mary Jean Burns, Betsy Biasi, Lisa Evans, Karen Lapos (row 2) Joe Spisak, Tom Lakata, Glen Karnish, Ron Blisard, Greg Pecha (row 3) Marigrace Malik, Barb Geusic, Judy Friendak, Alicia Drosdak, Karla Arner, Beth McCready (row 4) Kathie Laskos, Mary Paluck, Corrine DeLaurentis, Maria Ficocelli, and Tracey Dvorshock.

Students who become members of the National Honor Society are those of a very select group. To qualify for consideration to the National Honor Society, a student must maintain at least a 3.5 average throughout his or her four years of high school. Students must also be involved in various school organizations and show qualities of leadership.

After these standards are met, students must then be approved by their teachers. The students, thus qualified, are formally inducted into the Honor Society during a candle-light ceremony.

One of the least appreciated co-curricular activities available to a student at PV is that of the library aids. Least appreciated, that is, until that last minute report is due and there is someone there to pull that one special magazine out of the stocks for us. Then we can really appreciate the job the library assistants do for us. Our thanks to Miss Piskecky and all the students who help make our trips to the library a little more pleasant.

Student Forum And Prom Committee

The members of the student Forum are chosen by class rank. The top ranked students of the Senior and Junior classes are chosen to attend Forum meetings at other schools. Meetings are held to discuss ideas on how to improve our school and resolve problems that may arise.

Our 1982 Prom Committee was formed by volunteers to help make our Jr/Sr Prom the best ever. Some of the jobs for the committee were choosing the location picking the band; selecting the menu; and deciding the theme and for the evening. One of the biggest problems we faced was the cost of the prom and we tried to keep in line with our limited budget.

Anyone who attended our prom knows this committee succeeded.

The 1983 Book had one of the hardest years- from the depressed economy of the area blowing a hole in our ad sales to the problems we had doing the page layouts, getting pictures, locating information, getting write-ups, and a multitude of other headaches that all occurred at the wrong time.

We put the book together as best we could, and we are proud of our efforts. We hope you will enjoy our work for years to come.

FHA Creed

We are the Future Homemakers of America.
We face the future with warm courage and high hope.
For we have the clear consciousness of seeking
Old and precious values.
For we are the builders of homes,
Homes for America's future.
Homes where living will be the
Expression of everything
That is good and fair.
Home where truth and love and security and faith
Will be realities, not dreams.

We are the Future Homemakers of America
We face the future with warm courage
And high hope.

WHO ARE THE FUTURE HOMEMAKERS OF AMERICA

Chapter members, young men and women who are enrolled and interested in home economics, have become members of FHA/HERO. These vocational home economic students encounter many facets of themselves as they look for meaningful, satisfying skills to compliment their desires, dreams abilities, and personalities.

Chapter members are involved in service community and school projects. Projects are designed to be indepth activities for members to work together as a chapter or in small groups. Members should be actively involved in the selection, planning, implementation, and evaluation of the project. It should include activities that focus on individual, family, community, or job career needs and concern.

MOTTO
